GT279

Steve Maddox

Anaheim Wheel & Tire, Anaheim, CA

"I found that GT Radial's heavier ply rating and solid casing warranty provides my customers the stability they look for.

It is important that I offer a quality product at a fair price and the GT 279 highway steer tire fits the bill.

Three words that sum up GT Radial truck tires:
Durability, Stability and Quality!"

GT Radial 279 - Highway Steer
225/70R19.5 14 ply & 245/70R19.5 16 ply
